

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

RAMGEN POWER SYSTEMS LLC,

Plaintiff,

v.

AGILIS ENGINEERING INC,

Defendant.

CASE NO. C12-1762 MJP

ORDER DENYING MOTION TO  
FILE OVER-LENGTH BRIEF

This matter is before the Court on Plaintiff's motion to file an over-length brief. (Dkt. No. 56.) This motion was filed in response to two motions submitted by Defendant, a motion for summary judgment and a motion for sanctions. (Dkt. Nos. 47 and 48.) The Court struck both motions, with leave to file a single dispositive motion by May 30, 2014. (Dkt. No. 58.) In light of that Order and the fact that Defendant has not yet filed a new dispositive motion, the motion to file an over-length brief is premature and is DENIED without prejudice.

The clerk is ordered to provide copies of this order to all counsel.

1 Dated this 28th day of May, 2014.
